

The 2017 Annual Homeowners' Meeting

We had a great turnout and some lively discussions. Please join us for future board meetings to stay informed and help your elected representatives do their best for our neighborhood.

Special thanks to everyone who ran for the three open board seats, who volunteered to sign in members, collect votes, and tally the results. It's a great reflection on the spirit of our neighborhood when so many volunteer their time to manage the business of the Homeowners Association.

Votes were held on three topics. The first was to elect three new members to our seven seat HOA board. Please welcome **Marty Elzingre, Mark Guthrie, and Janine Smith!** All three are new to our neighborhood and we look forward to their fresh energy and perspectives. The second was the ratification/rejection of the 2017 and 2018 HOA budgets (ratified per state law), and third was to waive a certified external audit (waived).

As the new board gets settled, we will announce new officers and future board meeting dates. We will also publish a draft of the board meeting notes for comments and review prior to their entry into the record during the next scheduled board meeting.
