Lacamas Shores Homeowners' Association Privacy Policy

The Lacamas Shores HOA recognizes that your privacy and confidentiality is important. The HOA will not sell, distribute, or share any personal information you provide unless legally required. Any personal information we possess will be used to facilitate the relationship between yourself and the Lacamas Shores Homeowners' Association.

REQUEST FOR ELECTRONIC NOTICE IN LIEU OF MAILING – Mailing 254 notices costs between \$250-\$850 plus labor per mailing. The LS HOA prefers to save that cost whenever it is efficient and legal to do so. If you would like to help by receiving your legal notices via email instead of US postal mail, please complete the following:

I, _____, request legal notices to be sent to me by email at the above email address(es). Such notice shall be sufficient to comply with all HOA notices required by the CC&Rs and state law. Notice will be deemed given when sent and will only be mailed to my home address when the email notification is rejected. I will notify the HOA promptly if my email address changes or I would like to receive mailings of notices again.
