

Tom L. Kelly, PE (ret)
2629 NW Lacamas Drive

I am very interested in serving on the HOA Board in my 20th year as a member of the Lacamas Shores community. I have cooked many-a-hamburger at our annual 4th of July picnic, past President of the Hidden Springs HOA, Director of the Marquardt Federal Credit Union, and Director of the West Linn School Board. I have a BS in engineering and a MS in management. I am a retired Professional Engineer; 20 years in Aerospace and 30 years in Medical Device Design. All Homeowners need to be in charge of bringing our CC&R's, Articles of Incorporation, By-Laws, and Viewshed Plan up to date. We can solve problems and enhance value and desirability to this neighborhood. I appreciate your consideration.
