Lacamas Shores Homeowners Association

Re: Board of Directors

I would like to run for a HOA Board of Directors position. My wife and I moved to Lacamas Shores in the spring of 2016 and I am interested in volunteering my time to help the association. I've attended several board meetings and feel my experience, skills, and motivation can be of help.

I have read the HOA's governing documents (Articles, Bylaws, CC&R's), familiarized myself with Washington HOA Law, reviewed the 2015 Reserve Study, and have read documents and correspondence regarding differences of opinions by members. If elected, I would agree to adhere to the Code of Ethics and Rules of Conduct Policy.

I am a firm believer in respectful behavior, creating clear processes to gather information, present options, seek input, and find consensus to solve problems. If elected, I will proudly act with a duty of care, loyalty, and serve the community's best interest.

Please find a brief list of experiences. For more details, see my LinkedIn profile at www.linkedin.com/in/markpguthrie/

Thank you for your consideration,

Mark
