

Welcome to the neighborhood!

On behalf of the Association's Board of Directors and all our members we wish you the very best in settling into your new home. To learn all about your new neighborhood, the best central source of information is our HOA website.

www.LacamasShoresHOA.org

On the website you will find all the information you will need to enjoy your new community:

- SignUp for our email distribution list
- Schedule of events
- Community calendar
- Information on our amenities (Dock Area Gate Key, Trailer Parking, Canoe Club...)
- Approval process for home and garden modifications
- Important Community Documents (CC&R's, Bylaws, Reserve Study, Financials...)
- Board meeting information (meeting dates, agenda's, minutes)
- Community volunteer committees to improve the neighborhood

We have a special committee called the Good Neighbor Committee whose purpose is to help you get to know Lacamas Shores and other places of interests. Especially if you are new to Washington. If you would like a personal introduction to our community, send an email to welcome@lacamasshoreshoa.org and tell us your name, address, and phone number. Rita will give you a call and set up a time to introduce herself.

We have several email addresses for various committees and volunteers, but the easiest place to start is by emailing any questions you have to the board at board@lacamasshoreshoa.org. Our seven-member board all receive emails to this address and we will put you in touch with the right person.

Again, welcome and thanks for choosing to join us in this unique community.

Kindest,

M Guthrie
